AUTHOR INDEX

Aguilar, Ana Mylena, "The Gender Composition of the Medical Profession in Mexico: Implications for Employment Patterns and Physician Labor Supply," Win: 32-35
Anderson, Christy M., "Sex Differences in Workplace Smoking Policies: Results from the Current Population Survey," Fall: 311-315
Archbald, Cheryl D., "The Knowledge, Acceptability, and Use of Misoprostol for Self-Induced Medical Abortion in an Urban US Population," Sup: 183-185
Arnold, Louise, "Differences in the Preparation and Practice of Male and Female Physicians from Combined Baccalaureate - MD Degree Programs," Win: 29-31
Atkins, David, "Lipid Screening in Women," Sum: 234-240
Ayers, Charletta, book review, Win: 44

Baird, David T., "Mode of Action of Medical Methods of Abortion," Sup: 121-126
Baldwin, Grant, "Continuing Medical Education Habits of US Women Physicians," Win: 27-28
Baligh, Randa, "Egyptian Medical Women, Past and Present" (commentary), Win: 36,44
Ballin, Scott D., "FDA and Tobacco Regulation in the 21st Century: Where Are We Headed?" (commentary), Fall: 320-321
Beckman, Linda J., "Experiences and Satisfaction With Providing Methotrexate-Induced Abortions Among US Providers," Sup: 161-163
Bernhardt, Barbara A., "Mothers and Daughters From Breast Cancer Families: A Qualitative Study of Their Perceptions of Risks and Benefits Associated With Minors' Participation in Genetic Susceptibility Research," Fall: 280-284,293
Betancourt, Joseph R., "Language Barriers to Informed Consent and Confidentiality: The Impact on Women's Health," Fall: 294-295
Bickel, Janet, "Women in Academic Medicine," Win: 10-12,19
Blanchard, Kelly, "Misoprostol Alone—A New Method of Medical Abortion?" (commentary), Sup: 189-190
Borg, Anita, book review, Sum: 245
Borgatta, Lynn, "Instituting Medical Abortion Services: Changes in Outcome and Acceptability Related to Provider Experience," Sup: 173-176
Breitbart, Vicki, "The Counseling Component of Medical Abortion," Sup: 164-166
Browning, Steven R., "Sex Differences in Principal Farm Operators' Tractor Driving Safety Beliefs and Behaviors," Spr: 93-95
Brundtland, Gro Harlem, "The Woman Physician in the Year 2000" (editorial), Win: 3,19
Burnhill, Michael, "Instituting Medical Abortion Services: Changes in Outcome and Acceptability Related to Provider Experience," Sup: 173-176
Burns, David M., "Sex Differences in Workplace Smoking Policies: Results from the Current Population Survey," Fall: 311-315
Bygdeman, Marc, "Medical Termination of Early Pregnancy: The Swedish Experience," Sup: 195-196,204

Carhart, Lee, letter, Sum: 243-244
Clark, Shelley, "Is Medical Abortion Acceptable to All American Women: The Impact of Sociodemographic Characteristics on the Acceptability of Mifepristone-Misoprostol Abortion," Sup: 177-182
Coffin, Nicole, "Prevention Works for Women: Women's Health at the CDC" (federal report), Win: 41-42,46
Cohn, Wendy F., "Informed Consent for BRCA1 and BRCA2 Testing: What Clinicians Should Know About the Process and Content," Fall: 275-279
Cole, Henry P., "Sex Differences in Principal Farm Operators' Tractor Driving Safety Beliefs and Behaviors," Spr: 93-95
Colenbrander, August, "The Subspecialty Training, Practice Type, and Geographical Distribution of Recently Trained Ophthalmologists: A Study of Male and Female Physicians," Win: 20-22,26
Coulter, Ian, "Sharing the Mantle of Primary Female Care: Physicians, Nurse Practitioners, and Physician Assistants," Spr: 100-103
Coyaji, Kurus
  "Early Medical Abortion in India: Three Studies and Their Implications for Abortion Services," Sup: 191-194
  "Misoprostol Alone—A New Method of Medical Abortion?" (commentary), Sup: 189-190
Creinin, Mitchell D., "Medical Abortion Alternatives to Mifepristone," Sup: 127-132,150
Crist, Takey, letter, Sum: 243-244
Culhane, Jennifer F., "Bacterial Vaginosis: A Public Health Problem for Women," Sum: 220-224

Danielsson, Kristina Gemzell, "Medical Termination of Early Pregnancy: The Swedish Experience," Sup: 195-196,204
Davis, Anne, "Bleeding Patterns After Early Abortion With Mifepristone and Misoprostol or Manual Vacuum Aspiration," Sup: 141-144
Davis, Dena S., "Informed Consent for Stem Cell Research in the Public Sector," Fall: 270-274
DeLand, Katherine, "Developing a Public Policy Response to the Tobacco Industry's Targeting of Women and Girls: The Role of the WHO Framework Convention on Tobacco Control," Fall: 316-319,321
Dembe, Allard, book review, Spr: 106
DeNonno, Lara, "Bleeding Patterns After Early Abortion With Mifepristone and Misoprostol or Manual Vacuum Aspiration," Sup: 141-144
Dubler, Nancy Neveloff, "Women, Breasts, and the Failure of Informed Consent" (editorial), Fall: 255-256

Edwards, Nancy, "Behavioral and Pharmacological Treatment Methods for Pregnant Smokers: Issues for Clinical Practice," Fall: 304-310
Ellertson, Charlotte, "Is Medical Abortion Acceptable to All American Women: The Impact of Sociodemographic Characteristics on the Acceptability of Mifepristone-Misoprostol Abortion," Sup: 177-182
Elul, Batya, "In-depth Interviews With Medical Abortion Clients: Thoughts on the Method and Home Administration of Misoprostol," Sup: 169-172
Epstein, Lynn C., "Differences in the Preparation and Practice of Male and Female Physicians from Combined Baccalaureate - MD Degree Programs," Win: 29-31
Ettaro, Lorraine R., letter, Sum: 243

Fielding, Stephen L., "A Comparison of the Abortion Rights Mobilization and Population Council Trials," Sup: 137-140
Frank, Erica, "Continuing Medical Education Habits of US Women Physicians," Win: 27-28
Fraser, Gertrude, "Mothers and Daughters From Breast Cancer Families: A Qualitative Study of Their Perceptions of Risks and Benefits Associated With Minors' Participation in Genetic Susceptibility Research," Fall: 280-284,293
Frazier, Linda M., "Managing Patients With Concerns About Workplace Reproductive Hazards," Spr: 80-83,105
Freedman, Janet, "Physician Unions: Organizing Women in the Year 2000," Win: 16-19
Frenk, Julio, "The Gender Composition of the Medical Profession in Mexico: Implications for Employment Patterns and Physician Labor Supply," Win: 32-35

Gable, Mary S., "The Subspecialty Training, Practice Type, and Geographical Distribution of Recently Trained Ophthalmologists: A Study of Male and Female Physicians," Win: 20-22,26
Geller, Gail, "Mothers and Daughters From Breast Cancer Families: A Qualitative Study of Their Perceptions of Risks and Benefits Associated With Minors' Participation in Genetic Susceptibility Research," Fall: 280-284,293
Gibson, James T., "Sex Differences in Workplace Smoking Policies: Results from the Current Population Survey," Fall: 311-315
Glantz, Leonard H., "Pregnancy and Informed Consent to Research," Fall: 263-264
Golden, Anne, "Video Display Terminals and Miscarriage," Spr: 84-88,105
Goldenhar, Linda M., "Women in Construction: Occupational Health and Working Conditions," Spr: 89-92
Gower, Kathryn B., "Sex Differences in Workplace Smoking Policies: Results from the Current Population Survey," Fall: 311-315
Green, Yvonne
  "Prevention Works for Women: Women's Health at the CDC" (federal report), Win: 41-42,46
  "Women's Health Programs at the Centers for Disease Control and Prevention" (federal report), Fall: 297-298
Greer, Marilyn J., "American Women Physicians in 2000: A History in Progress," Win: 6-9

Harrison, William, letter, Sum: 243-244
Hartman, Anne M., "Sex Differences in Workplace Smoking Policies: Results from the Current Population Survey," Fall: 311-315
Hartmann, Katherine, "Behavioral and Pharma-

cological Treatment Methods for Pregnant Smokers: Issues for Clinical Practice," Fall: 304-310
Harvey, S. Marie, "Experiences and Satisfaction With Providing Methotrexate-Induced Abortions Among US Providers," Sup: 161-163
Haskell, Sue, "Instituting Medical Abortion Services: Changes in Outcome and Acceptability Related to Provider Experience," Sup: 173-176
Healton, Cheryl, "Women and Tobacco: With the Master Settlement Agreement, We've Come a Long Way, Baby!" Fall: 303,310
Heller, Simon, "Providing Medical Abortion: Legal Issues of Relevance to Providers," Sup: 145-150
Henningfield, Jack, "Behavioral and Pharmacological Treatment Methods for Pregnant Smokers: Issues for Clinical Practice," Fall: 304-310
Henry, Catherine A., "Finding the Balance" (inaugural address), Win: 45-46
Hoff, Tina, "Are US Health Professionals Likely to Prescribe Mifepristone or Methotrexate?" Sup: 155-160
Hogan, Vijaya K., "Bacterial Vaginosis: A Public Health Problem for Women," Sum: 220-224
Holzman, Ian R., book review, Fall: 296
Hunting, Katherine L., "Women in Construction: Occupational Health and Working Conditions," Spr: 89-92
Hutchins, Ellen, "Reducing Complications From Alcohol Use During Pregnancy Through Screening," Sum: 225-227,240

Jacobs, Elizabeth A., "Language Barriers to Informed Consent and Confidentiality: The Impact on Women's Health," Fall: 294-295
JAMWA Staff, "*JAMWA* and *Latina* Magazine Collaborate on Complementary and Alternative Medicine Survey," Spr: 104-105
Joffe, Carole, "Medical Abortion and the Potential for New Abortion Providers: A Cautionary Tale," Sup: 151-154
Johnson, Mark S., reply to letter, Sum: 243
Jones, Bonnie J., "Differences in the Preparation and Practice of Male and Female Physicians from Combined Baccalaureate - MD Degree Programs," Win: 29-31
Jones, Bonnie Scott, "Providing Medical Abortion: Legal Issues of Relevance to Providers," Sup: 145-150
Jones, Susan M., "Informed Consent for BRCA1 and BRCA2 Testing: What Clinicians Should Know About the Process and Content," Fall: 275-279
Jones, Teresa L., "Managing Patients With Concerns About Workplace Reproductive Hazards," Spr: 80-83,105

Kalichman, Seth C., "Randomized Community Trial of a Breast Self-Examination Skills-Building Intervention for Inner-City African-American Women," Win: 47-50
Kamerman, Sheila B., "From Maternity to Parental Leave Policies: Women's Health, Employment, and Child and Family Well-Being," Spr: 96-99
Kirschenbaum, Carol B., "Why Single Payer? Why Now?" (commentary), Win: 37-38,46
Knaul, Felicia, "The Gender Composition of the Medical Profession in Mexico: Implications for Employment Patterns and Physician Labor Supply," Win: 32-35
Koenig, Jacqueline D., "Are US Health Professionals Likely to Prescribe Mifepristone or Methotrexate?" Sup: 155-160
Koonin, Lisa M., "Abortion Reporting in the Era of Medical Procedures: Why Is It Important?" (federal report), Sup: 203-204
Kruse, Beth, "Advanced Practice Clinicians and Medical Abortion: Increasing Access to Care" (commentary), Sup: 167-168

Landrigan, Philip, "Video Display Terminals and Miscarriage," Spr: 84-88,105
Langlieb, Alan M., "Continuing Medical Education Habits of US Women Physicians," Win: 27-28
Lee, Lore Jackson, "Caution: Women at Work" (editorial), Spr: 67-68
Lee, Paul, "The Subspecialty Training, Practice Type, and Geographical Distribution of Recently Trained Ophthalmologists: A Study of Male and Female Physicians," Win: 20-22,26
Lent, Barbara, "Medical Faculty's Views and Experiences of Parental Leave: A Collaborative Study by the Gender Issues Committee, Council of Ontario Faculties of Medicine," Win: 23-26
Leonhardt, Kathy, "Instituting Medical Abortion Services: Changes in Outcome and Acceptability Related to Provider Experience," Sup: 173-176
